A thousand dollar car is gonna let you down
More than it s ever gonna get you around
Replace your gaskets and paint over your rust
You ll still end up with something that you ll never trust
A thousand dollar car s life was through
 Bout fifty thousand miles before it got to you
Oh why did I ever buy
A thousand dollar car
```

Bridge

Bm E
A thousand dollar car ain t gonna roll
A A/F# D
Until you put at least another thousand in the hole
Bm E
Sink your money in it , and there you are
D E
The owner of a two thousand dollar thousand dollar car

Verse 3

If you only got a thousand dollars
You might as well buy a good guitar
Learn how to play, it ll get you farther
Than any old thousand dollar car
If a thousand dollar car was to worth a damn
Then why would anybody ever spend ten grand
Oh why did I ever buy
A thousand dollar car

That s it. Hope everyone enjoys it.
