Take My Hand
Dido

```
D#                  Gm
Touch my skin and tell me what you re thinking,
D#                  Gm
Take my hand and show me where we re going
D#                      Bb
Lie down next to me, look into my eyes
D#              Bb
And tell me, oh tell me what you re seeing
         D#                          Gm
So sit on top of the world and tell me how you re feeling,
D#        Gm          Bb            Cm
What you feel now is what I feel for you
CHORUS :
D#       Gm              Bb       Cm
Take my hand and if I m lying to you,
D#           Gm              Bb       Cm
I ll always be alone, if I m lying to you
(Same as verse 1)
See my eyes, they carry your reflection,
Watch my lips and hear the words I m telling you
Give your trust to me and look into my heart
And show me, show me what you re doing
So sit on top of the world and tell me how you re feeling,
What you feel is what I feel for you
REPEAT CHORUS
D#        Gm            Bb        Cm
Take your time, if I m lying to you,
  D#           Gm              Cm7
I know you ll find that you believe me, you believe me
SOLO : Same chords as CHORUS
(Same as verse1)
Feel the sun on your face and tell me what you re thinking
Catch the snow on your tongue and show me how it tastes
SOLO : Same chords as CHORUS
Take my hand and if I m lying to you,
(2)
I ll always be alone, if I m lying to you
Take your time and if I m lying to you,
I know you ll find that you believe me, you believe me
