 When i see you sky as i kite, as high as i might i can t get that high
  A/C#         E4/B                A                       E4/B
 the how you move, the way you burst the clouds, it makes me want to try

 when i see you sticky as lips, as licky as trips
 i can t lick that far but when you pout
 the way you shout out loud it makes me want to start
and when i see you happy as a girl
 that swims in a works of magic show
 it makes me bite my fingers through
 to think i could ve let you go

     A/C#            G                   A/C#
 And when i see you take the same sweet steps
              G              A/C#          G
 you used to take i say i ll keep holding you
            A/C#              G                 (Intro)
 my arms so tight, i ll never let you slip away

 and when i see you kitten as a cat
 yeah as smitten as that
 i can t get that small
 the way you fur
 the how you purr
 it makes me want to paw you all
 and when i see you happy as a girl
 that lives in a world of make-believe
 it makes me pull my hair all out
 to think i could ve let you leave

 and when i see you
 take the same sweet steps
 you used to take
 i know i ll keep on holding you
 in arms so tight
```

they ll never let you go
