This Is A Lie
The Cure

Intro: **Fm G# C# Fm Bbm G# G G** (2x)

Fm
How each of us decides
G#
I’ve never been sure
C#
the part we play
Fm
the way we are

Bbm G# G
how each of us denies any other way in the world
Fm
why each of us must choose
G#
I’ve never understood
C#
one special friend
Fm
one true love
Bbm G# G
why each of us must lose everyone else in the world

Bbm
however unsure
G#
however unwise
C# Fm
day after day play out our lives
Bbm
however confused
G# G
pretending to know to the end

C# Fm
but this isn t truth this isn t right
G# Fm Bbm Fm
this isn t love this isn t life this isn t real
C7
this is a lie

how each of us believes
I’ve never really known
in heaven unseen and hell unknown
how each of us dreams to understand anything at all

why each of us decides
I’ve never been sure
the part we take
the way we are
why each of us denies every other way in the world

however unsure
however unwise
day after day play out our lives
however confused
pretending to know to the end

but this isn t truth this isn t right
this isn t love this isn t life this isn t real
this is a lie

this isn t truth this isn t right
this isn t love this isn t life this isn t real
this is a lie

A sequencia de acordes para toda a música é a seguinte:

Verse
Verse
First **C#horus**
Second **C#horus**
Verse
