**Room Service**
**Bryan Adams**

Fantastic new song from Bryan Adams latest CD, Room Service...
Tip: for switching from E to D#, barre the 7th and 6th fret respectively, same shape chords.
Enjoy!

Intro:  **F# B F# B**

```
F#                              B
when a hotel rooms the closest thing you got to home
F#                                      B
you could be in philadelphia you could even be in rome
G#m                             B
you gotta dial nine to get an outside line
G#m                               B                           F#

i even need a concierge just to take a drive - it s a crazy life
G#m                        G#m
i hope to see you smile - but i m always wrong
B                          B
it s a different melody but the same old song...
```

Chorus

```
F#                               B
yeh i ve been on the road nearly all my life
F#                            B
been around the world  bout a thousand times
G#m                                 B
still a knock on the door makes me nervous
G#m                                         B
i think i ll see you standing there - but no
               F#        B         F#       B
it s only room service - yeh - room service
```

Verse

```
F#                               B
i ve been living out my suitcase as long as i remember
F#                                          B
life s the same - it doesn t change - it s a gibson or a fender
G#m                               B
i still think about you babe - i swear sometimes i see your face
F#
these are crazy days
G#m                              G#m
yeh i think i hear your voice - but it s just a dream
B                             B
it s a brand new movie but the same old scene
```

Chorus

```
F#                                  B
yeh i ve been on the road nearly all my life
F#                              B
been around the world  bout a thousand times
G#m                                   B
still a knock on the door makes me nervous
G#m                                          B
i think i ll see you standing there - but no
                F#        B         F#
it s only room service - yeh - room service

D                             F#
ya know i wouldn t change a thing - no
D                                  C#
i m just waiting for the bell in room to ring
G#m                          G#m
i hope to see you smile - but i m always wrong
B                          B
it s a different melody but the same old song...
```

Repeat Chorus
