D|---5-----3-------6-----------------------------------------------------|
A|-------------------------------------------------------------------------|
E|-------------------------------------------------------------------------|
```

```
E          A      E         A
She got the brains, she got the looks,
E                A                  B
She knows all the right people, reads all the right books.
E          A      E         A
She s got my name, she s got my number,
E           A             B
But what she see s in me, I sometimes wonder.

         E        B      A
She s a little too good for me,
            E        B       A
She s gonna change me if I let her.
         E        B      A
She s a little too good for me,
                   E   B   A
But I m getting better...

E        A   E        A
I m just a guy, I m just me,
E                       A                          B
I m happy with my feet up on the table, in front of my tv.
E           A      E             A
We re world s apart, we re night and day,
E                A                    B
She s dinner by candle light, I m just a take-a-way.

         E        B      A
She s a little too good for me,
            E        B       A
She s gonna change me if I let her.
         E        B      A
She s a little too good for me,
                   E   B   A
But I m getting better...

E          A   E           A
```

She s says, I do something to her
E A E A B
All her friends say, I m a loser
