Sound The Bugle
Bryan Adams

VERSE 1:

```
        Ebm C#/F#                  Ebm
Sound the bugle now -   play it just for me
        Bbm                 B           C#
As the seasons change - remember how I used to be
               F# C#/F#              Ebm
Now I can t go on -  I can t even start
          Bbm            B                  C#
I ve got nothing left - just an empty heart
       Bbm         B          C#sus9                Ebm
I m a soldier - wounded so I must give up the fight
                  C#        Ebm              C#sus2-C#
There s nothing more for me - lead me away...
                       Ebm
Or leave me lying here
```

VERSE 2:

```
                  Ebm C#/F#                    Ebm
Sound the bugle now -   tell them I don t care
               Bbm                 B              C#
There s not a road I know - that leads to anywhere
           Bbm    B                    C#sus9          Ebm
Without a light feat that I will - stumble in the dark
           C#        Ebm             C#
Lay right down - decide not to go on
```

PRE CHORUS:

```
              Bbm      B                    C#
Then from on hight - somewhere in the distance
            Bbm                  B                C#
There s a voice that calls - remember who you are
```

CHORUS:

```
        Ebm        G#m          Bbm                   Ebm-C#
If you lose yourself - your courage soon will follow
         B           C#    C#4/9            B........C#4/9..C#
So be strong tonight - remember who you are
```

fnal:

```
