Sound The Bugle
Bryan Adams

VERSE 1:

```
        F#m E/F#                  F#m
Sound the bugle now -   play it just for me
        C#m                 D           E
As the seasons change - remember how I used to be
               A E/F#              F#m
Now I can t go on -  I can t even start
          C#m            D                  E
I ve got nothing left - just an empty heart
       C#m         D          Esus9                F#m
I m a soldier - wounded so I must give up the fight
                  E        F#m              Esus2-E
There s nothing more for me - lead me away...
                       F#m
Or leave me lying here
```

VERSE 2:

```
                  F#m E/F#                    F#m
Sound the bugle now -   tell them I don t care
               C#m                 D              E
There s not a road I know - that leads to anywhere
           C#m    D                    Esus9          F#m
Without a light feat that I will - stumble in the dark
           E        F#m             E
Lay right down - decide not to go on
```

PRE CHORUS:

```
              C#m      D                     E
Then from on hight - somewhere in the distance
            C#m                  D                E
There s a voice that calls - remember who you are
```

CHORUS:

```
        F#m        Bm          C#m                  F#m-E
If you lose yourself - your courage soon will follow
         D           E    E4/9            D........E4/9..E
So be strong tonight - remember who you are
```

fnal:

```
           F#m       Bm   C#m               F#m-E
Ya you re a soldier now - fighting in a battle
        D        Esus9 E               A
To be free once more -Ya that s worth fighting for
```
