[Verse]
Trying not to lose your own,
boxing up everything, youâ€™ve got
All you ever knew of home,
youâ€™re scared scared to see

[Pre-Chorus]
Your mother there in the door,
you wonder where did the years go

[Chorus]
All we know is distance
Weâ€™re close and then we run
Kiss away the difference
I know you hate this one
But this is how the story ends
Or have we just begun
To kiss away the difference
I know you hate this one

[Bridge]
Eb Gm7 Bbmaj9 Bb Eb
The violins make no sound
Eb Gm7 Bbmaj9 Bb Eb
And I begin to feel the ground

[Chorus]

All we know is distance
Weâ€™re close and then we run
Kiss away the difference
I know you hate this one
But this is where the story ends
Or have we just begun
To kiss away the difference
I know you hate this one

End on **Bb**
