E                           E/F#
Safe in the light that surrounds me
A                           E  E/C#
Free of the fear and the pain
   E/B
My subcounius mind
       E/A
Starts spinning trough time
   F#/G#                 Bsus4  B
To rejoin the past once again

E
Nothing seems real
      E/F#
I m starting to feel
A                       E    E/C#
Lost in the haze of a dream
    E/B
And as I draw near
    E/A
The scene becomes clear
    F#/G#                   Bsus4   B
Like watching my life on a screen

A              B          Bsus4
