Poor Boys Delight
The Infamous Stringdusters

Poor Boy s Delight
By the Infamous Stringdusters
Tab by Stephen Turner, October 2012

Standard Tuning, no capo

```
          D                                   G
Would you dance with me Molly It s Saturday night
          D                                       A
There s a chill in the air Do you think that you might
        D                                    G
Want to dance with me Molly To an old fiddle tune
       D                          A           Bm
playin soft like the wind through Virginia in June
G             D            A           D
soft like the wind through Virginia in June
```

Would you dance with me Molly? Do you think it be wrong,
If you let down your hair, Let them play us a song ?
Come and dance with me Molly, You got nothing to lose,
But to dance off the soles of your old dancin shoes.
Dance off the soles of your old dancin shoes

Would you dance with me molly, Ain t I doin this right,
you re fine and you re fair you re a poor boys delight
you re from North Carolina? .. Oh you re from Virgina I see
The devil would die if you danced one with me
devil would die if you danced one with me

```
          D                                   G
Would you dance with me Molly It s Saturday night
          D                                       A
There s a chill in the air Do you think that you might
        D                                    G
Want to dance with me Molly To an old fiddle tune
       D                          A           Bm
playin soft like the wind through Virginia in June
G             D            A           Bm
soft like the wind through Virginia in June
G             D            A           D
soft like the wind through Virginia in June
