Album: The Pariah, The Parrot, The Delusion

Well, this is acctually just some kind of interlude on the album and not that hard to play but if can t figure it out by yourself here are the chords! ;-)

```
C                      Em   G
   I m not the one to blame
C                         Em    G
  We are all part of the problem
C                   Em     G
  Damn for your complaints
C
  We re all...
Am      D       G
  We re all to blame
```
