**The Best Of Me**
**Bryan Adams**

Intro: (**F** - **Dm** - **Bb** - **Gm**)

Verse 1:

```
Dm       F           Bb      F
Sometimes words are hard to find
    Dm     C        Bb       F
I m looking for that perfect line
   Bbm                  F            Dm   C
To let you know you re always on my mind
           F              C                 Dm
Ya this is love - n  i ve learned enough to know
    Bb             F
I m never lettin  go
        Dm            C
No, no, no - won t let go
```

Chorus:

```
          F                   Dm
When you want it - when you need it
        Bb                Gm
You ll always have the best of me
         F            Dm
I can t help it - believe it
        Bb               Gm
You ll always get the best of me
```

Verse 2:(same as before)

```
Dm       F           Bb      F
I may not always know what s right
    Dm     C        Bb       F
But i know i want you here tonight
   Bbm                  F            Dm   C
Gonna make this moment last for all your life
           F              C                 Dm
Oh ya this is love - n  it really means so much
    Bb             F
I can tell from every touch
        Dm            C
No, no, no - can t get enough
```

Chorus:

```
          F                   Dm
When you want it - when you need it
```

```
        Bb                Gm
You ll always have the best of me
         F            Dm
I can t help it - believe it
        Bb              Gm
You ll always get the best of me
```

You ll always get the best of me... Oh!
```

Ending:

```
          G                  Em
When you want it - when you need it
        C               Am
You ll always have the best of me
         G           Em
I can t help it - believe it
        C              Am
You ll always get the best of me
          G                  Em
When you want it - when you need it
        C               Am
You ll always have the best of me
         G           Em
I can t help it - believe it
        C              Am
You ll always get the best of me
```

(repeat til fade.)
