Buffalo Springfield Rock N Roll Woman written by Steven Stills

```
          F#maj 7         Eb7
There s a woman that you ought to know
          F#maj 7         Eb7
And she s coming singing soft and low
                             Eb
Singing rock n roll she s a joy to know
          F#maj 7         Eb
Neath the shadow of her soothing hand
     F#maj 7             Eb
I am free there just to make my plans

Dream of far away lands

Anything close at hand
Bbm            C#         Eb
And she will follow me  why  do you know
Bbm       C#                 Eb
Familiar places she s been by
Bbm        C#                      Eb Ebsus Eb Eb7
But if it seems she don t have to try   ??

F# Eb F# Eb F# Eb F# Eb

    F#maj 7           Eb7
And tomorrow she s a friend of mine
        F#maj 7           Eb7
And the sorrow I see her face is lined

She s no longer mine
           Eb              F#   Eb9^?
She s just hard to find
