Codine
Buffy Sainte-Marie

Over each word that starts a new chord. Hit the the base string for that cord (e.g. for
Am the base string is an open A).
This is my first tab. I hope it s easy to read, I tried organizing it as best I could.
This is one of my favourite songs so enjoy.

```
    Am1         Am2          Cm              F
E-  ----0-----0-----0-----0------1-----1---------3-----3-
B-  --------2-----------2------------3---------------3---
G-  --2---2-------2---2--------2---2-----------0---0-----
D-  ------------1------------0---------------------------
A-  0-----------------------------------------------------
E-  ----------------------------------------3-----------
```

Intro- [Am1][Am2]
Verse- [Am1][Dm][G][Am1][Am2]
Chorus-[Am1][Am2][Dm][G][Am1][Am2]

```
       Am1       Dm             G             Am1  Am2
An  my belly is craving, I got shakin  in my head
  Am1            Dm          G           Am1  Am2
I feel like I m dyin  an  I wish I were dead
   Am1      Dm             G         Am1  Am2
If I lived tomorrow it ll be a long time
         Am1            Dm            G       Am1   Am2
For I ll reel and I ll fall and I ll rise on codine
         Am1  Am2          Dm    G        Am1  Am2
An  it s re---al,    an  it s real, one more time
```
