4 ||-----------------------------------3-2-0-2-3---------------
5 ||-----------------------------------------------------------
6 ||-----------------------------------------------------------
```

SI MIm SI MIm

Verso 1:

```
MIm               SOL
Aunque muy triste me separo
              RE   SOL
de tu corazón mañoso
SOL
Desde lo mas profundo de mi alma
           SI       MIm
siempre te amare mi vida. (BIS)

SOL
Todo se quedo en nada
                   RE   SOL
despues de amarnos con pasión.

 SOL
Todo se quedo en nada
                   SI   MIm
despues de amarnos con pasión.
```

Verso 2:

```
MIm              SOL
Aunque con pena me separe
              RE   SOL
de tu corazón mañoso
SOL
Comprendo que existe recuerdos
                 SI     MIm
de nuestro inmenso cariño. (BIS)

SOL
Pero por tu amor voluble
              RE   SOL
todo se acabo mi vida
SOL
Pero por tu amor voluble
                SI   MIm
todo se quedo en nada. (BIS)
```

Verso 3:

```
DO                     SOL
Ya no hay remedio vida mia

para querernos nuevamente
DO                     SOL
solo nos queda un camino
                        SI   MIm
que ambos busquemos nuestra vida. (BIS)
```

```
1 ||---8-10-10-10-8-8-----------------------------------------
2 ||------------------10-8-------10-10-10-8-8-----------------
3 ||-----------------------10-----------------10-7-10---------
4 ||---------------------------10------------------------------
5 ||-------------------------------------------------------------
6 ||-------------------------------------------------------------
```

```
1 ||---8-10-10-10-8-8-----------------------------------------
2 ||------------------10-8-------10-10-10-8-8-----------------
3 ||-----------------------10-----------------10-7-7----------
4 ||---------------------------10------------------------------
5 ||-------------------------------------------------------------
6 ||-------------------------------------------------------------
```

```
1 ||----------------0-1-3-0-----------------------------------
