D Bm F#m
Well it took a long time but you ve finally worn out your smile
A Bm F#m
That s when I knew it I ve run outta borrowed time
D Bm F#m
You always used to say that you could learn a lot through wasting time
A Bm F#m
And that if you look hard You ll see yourself in your lovers eyes

D Bm F#m
Your time is near it won t be long
D Bm F#m
You ve got to go when you re called upon
D Bm F#m
No light of day no sight of dawn
D Bm F#m
Don t turn around just walk right on

D Bm F#m
You came riding into town with a black and white five and ten
A Bm F#m
Said I ll be your captain And take you back home again
D Bm F#m
It s your third time around but you know I ll get a second wind
A Bm F#m
But if we ever get there they ll be no one there to let us in

D Bm F#m
Your time is near it won t be long
D Bm F#m
You ve got to go when you re called upon
D Bm F#m
You caught me dancing in the street last night

D Bm F#m
You walked right past me into the light

D Bm F#m X4

D Bm F#m
Packed up my souvenirs, tied my shoes, and sold my car
A Bm F#m
Yes I should have known it I d never get very far
D Bm F#m
Ever since we ve met you ve been a hungry and a restless child
A Bm F#m
You re just like your father You know he s got a poison mind

D Bm F#m
Your time is near it won t be long
D Bm F#m
You ve got to go when you re called upon
D Bm F#m

D Bm F#m
But my broken soul is never gonna mend
