Low Expectations
Calexico

D
E

```
          D
When it s getting way too late

There s nothing on the slate
           E
You ve got to take another break

Step out of the room
         D
Into the street lit by the moon

Walk down to the tombs
         E
Open the windows

D     (these two chords are like intro)
E

       D
No one said that that time would come

To finish what s begun
           E
Things get done when they get done

There s no use in worry
      D
For a heart that s in a hurry

hang the jury inside
       E
out to dry
