Calahan - Feels Like Rain
Capo 1

(**C#**)I ve waited for my life to pass me (**F#**)by. It s all I wanted to (**C#**)say, before I m
dead and gone (**F#**)away.

(**C#**)I want to try to make you (**F#**)stay, it s all I wanted to (**C#**)do, I want to try to be
with (**F#**)you.

CHORUS #1:
Because it (**C#**)feels..like the (**F#**)rain, is (**C#**)coming back a-(**F#**)gain. And it s so (**C#**)hard.
(**G#**) And it s so (**C#**)ha---(**G#**)rd.

And I m (**C#**)waiting for the pills to fix my (**F#**)head, it s all a part of the (**C#**)plan.

(**C#**)I want to be a better (**F#**)man. (**C#**)I want to make you under(**F#**)stand, it s all I wanted
to (**C#**)do. I want to (**C#**)try to be with (**F#**)you.

CHORUS #2:
Because it (**C#**)feels..like the (**F#**)rain, is (**C#**)coming back a-(**F#**)gain. And it s so (**C#**)hard.
(**G#**) And it s so (**C#**)hard.

Bridge:
And I (**G#**)try to keep it straight. There s a (**F#**)crutch beneath the weight of all these
(**C#**)places that I ve seen.
And I may (**G#**)rise and I may fall, when I m (**F#**)high above it all but I can (**C#**)still
believe in you in all my (**G#**)dreams.

And I m (**C#**)waiting for my life to pass me (**F#**)by. It s all I wanted to (**C#**)say, before I m
dead and gone (**F#**)away.
