I looked in the mirror (what did you see looking at you)  
 I saw a nine stone weakling  
 (What will you do?)  
 Dynamic Tension                      waiting for you?  
 Dynamic Tension                      make a man out of you

**G#                      G#7**

**G#**

I opened my magazine (What did you see?)  
 I saw Mr. France (What did he have?)  
 A girl on each shoulder (What else?)  
 And one in his pants  
 Dynamic Tension can do this for you  
 Dynamic Tension make a man out of  
**G#                      G#7                      C#                      Ebm11 C# Ebm11**  
 You you you you                      you  
**C#    Ebm11**  
 So our hero goes down to the beach  
**C#    Ebm11**  
 He s in real terrible shape  
**C#    Ebm11**  
 His chick s been seen with big Alex  
**C#    Ebm11**  
 That mother kicked sand in his face  
**C#    Ebm11 C# Ebm11**  
 Now let me tell you about Alex  
**C#                      Ebm11 C#                      Ebm11**  
 He s got: Hands like hams       Knees like trees  
**C# Ebm11 G#                      F#**  
 200 lbs of surfboard Hurcules.....

**C#                      C#maj7                      Ebm G#**

Mr. Atlas won t you bring her on back to me  
**Ebm                      G#**  
 I lost my girl down by the beach  
**Ebm                                      G#**  
 She s with Alex and she s out of reach  
**C#                      G#                      F#                      C# G# F#**  
 So please Mr. Atlas won t you bring her on back to me  
**C#                      G#                      F#                      C# G# F#**  
 I saw your body in an advert on T.V.  
**C#                      G#                      Bbm                      F#m**

But what convinced me was your money back guarantee

**G#**

Now I m stronger than Alex

(Where is he now?)

He s left in disgrace

(Oh yeah?)

Cos I took back my girlfriend

(Ha, ha, ha, ha)

And kicked sand in his face

**G#**

**G#7**

(In his eyes, in his ears, in his nose)

**G#**

Dynamic Tension waiting for you

Dynamic Tension make a man out of you

Dynamic Tension, Dynamic Tension

Dynamic Tension, Dynamic Tension
