Hacer en F un rasguido

```
G                                   Em
En el dia de hoy he dajado de quererte
                     C                        D
No recuerdo haber sufrido el delirio de perderte
G                                        Em
Camino por ahí sin pensar si al encontrarte
                     C                         D
No me importa recordarte que mas da si tu no estas
C                            D
No niego que sufri mucho por ti,
   C                           D
el sol tambien salio es para mi
C                 G     C           D          G
Vivo entre las luces de este nuevo amoooooooor
```

G#m/5              B          A                          B
Yo se que al escuchar esta cancion lloraras al recordarme
G#m/5               B            A                        B
Yo fui quien te enseño a ser mujer, yo te di el primer beso
C#m                      B             A             B
Aunque ya no estes conmigo se que tu no me olvidaras

G#m/5    C#m            A           B
Primer amor quien no tuvo en la vida
G#m/5     C#m           A               B         G#m/5
Primer amor pasa el tiempo y no se olvida
