Stutter
Elastica

Intro: [**G# Eb F# C#**]

Verse 1: Just follow the rhythm of the CD. Just use heavy palm muting on the bass notes until two times
the progression, and then play the full powerchords. Wheeee!

[**G# Eb F# C#**]

No need to whine, boy, like a wind-up toy you stutter at my feet and it s never the time, boy you ve had
much wine to stumble up my street well it isn t a problem, nothing we can t keep between the sheets tell me
mine, love, and i will not wait for other bedtime

[**Eb**]
treeeeeeeeeats

Chorus:

[**G# Eb F# C#**]

Is there something you lack when i m flat on my back Is there something that I can do for you? It s always
you ate or it s something you hate tell me is it the way that i touch you?
have you found a new mate and is she really great is it just that i m much too much for you?

[**E C# G#**]
Whooaaaa whoa-ah-ohhhhh-whoaaaaaaaa!

Verse 2: Same instructions as verse 1.

[G# Eb F# C#]

Don t feed me a line, boy, i can hear that voice you use upon the phone and there s no need to be coy,
is something you can do upon your own Well it isn t a problem, nothing we can t solve so just relax am I on thewrong train, love, and will i have to tie you to the

[Eb]
traaaaaaaaaaaacks!

Chorus repeats, same words, same chords.

[E C# G#] x 3
Whoaaaaaaaaaa, whoa-ah-oh, whoaaaaaa I really want you to...
