Help Yourself
Tom Jones

```
Eb                        Bb      Eb                              G#
Love is like candy on a shelf, you want to taste and help yourself.
                                     Eb             Bb            Eb
The sweetest things are there for you, help yourself, take a few,
            Bb             Eb
that s what I want you to do.

Eb                          Bb   Eb                         G#
We re always told repeatedly, the very best in life is free,
                               Eb           Bb           Eb
and if you want to prove it s true, Baby, I m telling you,
        Bb               Eb
this is what you should do.

(Chorus:)
              Eb
Just help yourself to my lips, to my arms,
                                Bb
just say the word and they are yours.
Bb
Just help yourself to the love in my heart,
               Bb7            Eb
your smile has opened up the door.
Eb
The greatest wealth that exists in the world
                            Bb
could never buy what I can give.
Bb
Just help yourself to my lips, to my arms,
               Bb7              Eb
and then let s really start to live.

Eb                            Bb    Eb                            G#
My heart has love enough for two, more than enough for me and you.
                              Eb             Bb         Eb
I m rich with love, a millionaire, I ve so much it s unfair,
          Bb          Eb
why don t you take a share.

(Chorus)
