do something to redeem myself for my sins. Bassists, for your jamming pleasure I have transcribed (sometimes only parts of) Prison Sex , Bottom , listen tho the albums to get the exact tempo and rhythm. Also, the E-string

Tips on playing these songs:

1) Play with a pick. Paul does. Although, sometimes I do it w/ my fingers.
2) Boost your Treble and Mid a few notches to get a sharper sound. But, you still want to keep the low end rumbling.
3) Don t be afraid to experiment. Paul varies his bass lines a lot, give it a try as well. It s just easier to tab it when it s straight forward.

Enjoy!

        to the song, as there are alot of things that Rich missed. --Bucky]
