```
Eb                                Bb
I ve never been the kind that you d call lucky
G#                    C#9
Always stumbling  around in circles
Eb                          Bb
But I must have stumbled into something
G#
Look at me
      C#9                 G#
Am I really alone with you
Eb                            Bb
I wake up feeling like my life s worth living
G#                     C#9
Can t recall when I last felt that way
Eb                           Bb
Guess it must be all this love you re giving
G#                 C#9            G#          Bb
Never knew never knew it could be like this

But I guess

Eb        G#
Some hearts
          Bb
They just get all the right breaks
Eb        G#            Bb
Some hearts have the stars on their side
Eb        G#
Some hearts,
           Bb
They just have it so easy
Bb                      G#
Some hearts just get lucky sometimes
Bb                      G#         Eb
Some hearts just get lucky sometimes

( Eb Bb G# C#9 )

Eb                                Bb
Now who d have thought someone like you could love me
G#                          C#9
You re the last thing my heart expected
Eb                             Bb
Who d have thought I d ever find somebody
G#                    C#9            G#
Someone who someone who makes me feel
       Bb
