```
Bb                F              Eb
Dreams that have flown down the hall
Bb               Eb          Bb
tears that were sown on despair
Eb               Bb
summer s turned fall
         Eb         Bb
it don t matter at all
       Bb (Gm)             Eb         Bb
when I wake and find you lying there
      F           Eb           Bb
Sweet silence and soft auburn hair

Blues gonna dance through the sky
time s gonna roll soft as rain
sigh after sigh is gonna pass by and by
ah love s gonna fly on the wind
when I gaze into your brown eyes again

Ref.:
Eb                   Bb
All the things I ve seen
        Eb                Bb
and the places that I ve been
Gm           Eb             Bb
don t mean a thing since I found you
Eb                Bb
all that matters now
           Eb                 Bb
since I ve won your love somehow

So sleep till the moon slips away
I m hopin  all you re dreamin  comes true
when you rise with the day
I might not have too much to say
