You Don't Have To Say You Love Me
Elvis Presley

```
(Fm )         Bbm        Eb                      Ab        C#
When I said I needed you,   you said you would always stay
(C# )           C#/Bb              Gm                C
It wasn-t me who changed but you, and now you-ve gone away

(Fm )             Bbm           Eb                  Ab       C#
Don-t you know? But now you-ve gone,  and I-m left here on my own
(C#  )        C#/Bb          Gm             C
That I have to follow you, and beg you to come home

      Bb             Gm          C   ( Fm  )

                         Bbm   Eb                     Ab        C#
Left alone with just  a memory,    life seems dead and so unreal
(C#  )            C#/Bb              C                Fm
All that-s left is loneliness, there-s nothing left to feel
