Nobody sends me birthday cards

I m just here for operations

I ve been out for hours

**D                    G            A**  
When I come too I ll wet my bed

**D                    G            A**  
`Cos when I get mad I sink so low

As matron knows

I get off on what you give me, darling

**Bm/G   A                    G            D**  
I get off on what you give to me

**D                    G            G/E**  
And when I go to that seedy ward

**G/D            G/C**  
Up in the sky

**G/D            G/C**  
You ll be waiting

**G/D   G/C   G/D   G**  
With a hypodermic needle

**F**  
And a graph

**Bb C Bb C   C7**

**Bb C Bb C   C7**

**Bb   C            Bb   C**  
Here comes the dark

**C7**  
(I m grateful for my anaesthetic)

**Bb   C            Bb   C**  
Out goes the spark

**C7**

(Delirious and apathetic)

**D** **G** **A**  
When I come to I ll wet my bed

**D**  
And when I get well

**G** **A** **Bm7** **A7/B**  
I ll take revenge I ll wreak my wrath

**A**  
On all blood donors

And their sisters

**A7/A**  
Visiting time and flowers

**A**  
When sister brings that bedpan round

**A7/A**  
I ll piss like April showers

**Bm Bm/G A** **D** **Bm**  
I get off on what you give me, darling

**Bm/G A** **D** **Bm**  
I get off on what you give to me

**Bm/G A** **D** **Bm**  
Yeh, I get off on what you give me, darling

**Bm/G A** **G** **D**  
I get off on what you give to me

**Bm Bm/G A** **D** **Bm**  
I get off on what you give me, darling

**Bm/G A** **D** **Bm**  
I get off on what you give to me

**Bm/G A** **D** **Bm**  
Yeh, I get off on what you give me, darling

**Bm/G A** **G** **D**  
I get off on what you give to me

**D7**  
And when I go

**G** **Fmaj7**  
I ll die of plaster casting love
