Your Time Hasnt Come Yet Baby
Elvis Presley

Your Time Hasn t Come Yet Baby:Elvis Presley.
#72 in 1968. (B-Side of Let Yourself Go.)

CHORUS: (Orig. key. Check it out on YouTube.)
```
E                A
Your time hasn t come yet baby,
    E                      B
You got a lot of dreams to go.
E                A
Your time hasn t come yet baby,
            E         B          E
But when it does your heart will know.
```

#1.
```
       B                    E
You re gonna be a beautiful woman,
               B                E
Because you re such a beautiful child.
             F#
And when you start to bloom just like a rose in June,
          B                 B7
I bet the schoolboys all go wild, but right now...
```

CHORUS:

#2.
```
     B                       E
Your life s still a lollipop heaven.
           B                          E
Your teddy bear s at the foot of your bed.
           F#
The little boy next door who only makes you sore,
         B                  B7
Is gonna some day turn your head..but right now..
```

CHORUS:

#3.
```
             B
You re gonna grow overnight into a lady
       E
with a devastating smile.
           F#
And then a lucky guy will see you,
          B                 B7
And wanna walk you down the aisle...but meanwhile..
```

CHORUS:
ADD:

```
        E         B          E
When it does your heart will know.(x2)
```

A sixties smash from Kraziekhat.
