Standard Tuning:

Intro: **B**-**G#m**-**F#** (2x) **E**-**F#**

Verse:

```
B                                G#m
I ve been to so many moments in my life
                           E              F#
Where I can t find anyone to turn to but You
     E
Only You
     F#
Always You.

B                                 G#m
And when all that s around me are fallin
                        E                F#
You will remain there standing just for me
     E
Only You
   F#
Only You.
```

Refrain:

```
      G#m                          F#
In my weakest times, You were so strong
         G#m                     E
When all hope is gone, You carry on
  F#               G#m
I draw my strength from You
     F#          G#m        E             F#
When I could no longer find any of it in me.

        B         F#
You are my life
        G#m           F#
You are my strength
         E                F#
```

I can t fight the battle alone
E F#
I can make it through when I m with You.

B F#
Cause You are my shield
G#m F#
You are my soul
E F#
You re breathing life into my heart
E F#
All the love that I have comes from You
B G#m-F#
Always You...

Verse II:

B G#m
I ve been lost in the middle of nowhere
E
And I can t find my way home
F#
I m so lost without You
E F#
But You have pulled me through.

B
You took me in Your arms
G#m
And You rescued me from the dark
E F#
And now, I m finally home
E F#
I feel safe, cause now I m with You.

Chorus:

B F#
Cause You are my life
G#m F#
You are my strength
E F#
I can t fight the battle alone
E F#
I can make it through when I m with You.

B F#
Cause You are my shield
G#m F#
You are my soul
E F#
You re breathing life into my heart

```
         E                          F#
All the love that I have comes from You.
         F                          G               (transpose 1 fret higher)
All the love that I have comes from You, You, wooh...

C        G
My life
        A            G
You are my strength
         F                 G
I can t fight the battle alone
       F                            G
I can make it through when I m with You.

        C          G
You are my shield
        A        G
You are my soul
                  F            G
You re breathing life into my heart
         F                          G
All the love that I have comes from You.

     C     G       A     G       F
Always You,   always You,   always You
          G
Only from you
         F                          G
All the love that I have comes from You
          C-A-G-C (half time)
Always You...
```
