Intro - pick these chords

D G Bm A

Verse 1

D **G**
I ve waited, and given the chance again,

Bm **A**
I d do it all the same, but either way

D **G**
I m always outplayed, up on your down days

Bm **A**
I left it the right way, to start again

Chorus 1

```
             G           D                       A
Now watch me rise up and leave all the ashes you made out of me

                           G                D                 A
When you said that we were wrong, life goes on, just look how long I ve agreed

             G           D                       A
Now watch me rise up and leave all the ashes you made out of me

                           G                D                 A           G
When you said that we were wrong, life goes on, just look how long I ve agreed
```

Refrain - **D G Bm A**

Verse 2

```
D                            G
Out of place, like a gem on a coalface

            Bm                      A
Lost on the right way, it s all the same

                   D                       G
 Cause I ve had my hopes raised, riding the wrong waves

                Bm                 A
Scared when you feel safe to start again
```

Chorus 2

```
             G           D                       A
Now watch me rise up and leave all the ashes you made out of me

                           G                D            A
When you said that we were wrong, life goes on, look how wrong I could be

             G           D                       A
Now watch me rise up and leave all the ashes you made out of me

                           G                D               A
When you said that we were wrong, life goes on, you blew me away
```

G
Awaaaaaaaaaaaaaaaaaaaay

D
Awaaaaaaaaaaaaaaaaaaaay

A
Awaaaaaaay

Chorus 3 - as chorus 2
