Lyrics:

if i cannot see you from afar
look into your eyes, that hint of depth
        hidden inside

if i cannot hear you from afar
whisper in my ear, rest assured that
        you are near

and I now not what it s like
    the aforementioned
for the distance between us
as are the stars, i only have you
      in my imagination
      in my imagination
      just to love you
        from afar

if i cannot kiss you from afar
press against your lips, taste
the sweetness of your breath

if i cannot touch you from afar
hold you in my arms, keep you warm
      and safe from harm

though our circumstances
    cause seperation
    in the absence
there s a presence in my heart
i will surrender, i ll surrender to my

quiet contemplation
my quiet contemplation
i ll just, i ll just love you
from afar

there must be a better way
a better way of passing the time
cause I can t seem to get her out,
get her out of my mind...
