**Why Does This Always Happen To Me**
**Weird Al Yankovic**

```
F#m                 E                            D                  A
I was watching my TV one night when they broke in with a special report
              F#m          E           D        A
About some devistating earthquake in Peru
F#m                     E                         D                   A
There were thirty thousand crushed to death, even more were buried alive
         F#m              E           D        A
On the Richter scale it measured 8.2
              D            E            A
And I said,  God, please answer me one question?
D                    C    D    A
 Why d they have to interrupt  The Simpsons  just for this?
C   D   A                  C   D      A
What a drag,  cause I was taping it and everything
              D                     A               E
And now I ll have to wait for the rerun to see the part of the show I missed

chorus:

D              A
Why does this always happen?
C              G
Why does this always happen to me?
D               A
Why does this always happen?
C                     G
(Why) Why does this always happen to me?

D            A
Ba ba ba ba, ba ba ba ba ba
C           G
Ba ba ba ba, ba ba ba ba ba

F#m                      E                    D                   A
I was driving down the highway when all the traffic slowed to a crawl
              F#m                E            D        A
There was a twelve-car pile-up, everybody dead
           F#m                  E           D                A
And I saw brains and guts and vital organs splattered everywhere
            F#m                  E            D        A
As well as my friend Robert s disembodied head

               D     E                A
And I thought - Poor Rob, I just had lunch with him
      D             C       D       A
Hey, wait a minute, he still owes me money - what a jerk
          C   D   A                C   D   A
```

Well, there s five bucks that I m never gonna see again
**D A E**
Plus now, on top of everything else, it looks like I m gonna be late to work

chorus:

**D A**
Why does this always happen?
**C G**
Why does this always happen to me?
**D A**
Why does this always happen?
**C G**
(Why) Why does this always happen to me?

**D A**
Ba ba ba ba, ba ba ba ba ba
**C G**
Ba ba ba ba, ba ba ba ba ba
**B**

**F#m E D A**
Oh, the other day, my boss said we were running low on toner
**F#m E D A**
And he told me I should buy another case
**F#m E D A**
Well, I told him I was busy, but he still just kept on asking
**F#m E D A**
So, I turned around and stabbed him in the face (right in the face)

**D E A**
Oh, and wouldn t you know it, my knife got stuck
**D C D A**
I guess that s probably bound to happen now and then
**C D A C D A**
But I m afraid I may have bent the tip a little
**D A E**
And I know that blade will never ever be quite as sharp again (quite as sharp again)
Oh, tell me

**D A**
Why does this always happen?
**C G**
Why does this always happen to me?
**D A**
Why does this always happen?
**C G**
(Why) Why does this always happen to me?

**D A**
Why does this always happen?

```
