SHAMROCK DIARIES by Chris Rea

Albums: â€œShamrock Diariesâ€• and â€œNew Light Through Old Windowsâ€•

Intro: **G G/C G G/C**

```
G                           G/C
In waves of people you can lose your feet
G                               G/C
Youâ€™ve got to stay hard to the ground
G                      G/C
It gets so easy now to lose your way
G                        G/C
When youâ€™re ever outward bound
C/F                          C/D
A church bell ringing in the fading light
C/F                              C/D
Stops you dead like a cold steel wall
F/G                          F/C
The ghost of yester-years is touching you
C/F                       G/D
And as sure as god youâ€™ll fall

G         G/C   G/A  F/D
And I see you
G         G/C   G/A  F/D
And I see me
G        G/C  G/A  F/D
I see it all
        G           G/C   G/A  F/D
Like it used to be

C/F  C/D  C/F  C/D

C/F                         C/D
And all the reasons why you started out
C/F                          C/D
They hit you hard with every bell
F/G                       F/C
The choir practice in the empty hall
     C/F               C/D
```

Is a sound you know so well
C/F **C/D**
Like something lost inside your overcoat
C/F **C/D**
You find it later by mistake
F/G **F/C**
You lost it all a thousand years ago
C/F **G/D**
And you pray itâ€™s not too late

And I see you
And I see me
I see it all like a diary

And I see you
And I see me
I see it all like it used to be

Iâ€™m gonna write it in a diary
Now I remember everything
Yeah I remember how it used to be
With every note that choir boy sings

And I see you
And I see me
I see it all like a diary
