Secret Door
Evanescence

Intro: **Em**

```
Em           B/Eb
Turn out the lights
         Em                        B/Eb
Feed the fire till my soul breathes free
Em C        G          B           Em
My heart is high as the waves above me

Em           B/Eb
Don t need to understand
Em           B/Eb
Too lost to lose
Em C        G          B           Em
Don t fight my tears, cause they feel so good...

    D         Am               D
And I, I will remember how to fly
          Am           D
Unlock the heavens in my mind
          Am                     D   C      B
Follow my love back through the same secret door

Em            B
Look past the end
       Em                   B
It s a dream as it s always been
Em  C          G          B    Em
All life lives on if we ve ever loved it

    D         Am               D
And I, I will remember how to fly
          Am           D
Unlock the heavens in my mind
          Am                     D   C      B
Follow my love back through the same secret door

(Em Em/C Em/B Em/A)
Em B/Eb Em B/Eb
Em C G B Em

    D         Am               D
And I, I will remember how to fly
```

```
          Am           D
Unlock the heavens in my mind
          Am                      D   C      B
Follow my love back through the same secret door
