Intro: **C#m-E-B-A**

Verse 1:
```
C#m                     E
Glass hailed from the sky that night
  B                 A
I couldn t hide to save my life
 C#m                  E
Standing drenched in open wounds
    B                 A
You took my hand and pulled me through
```

Chorus 1:
```
A        B       C#m       G#
  I want to give you everything
          A         B
I ll give you my all
  C#m        G#     A
Because you gave me, you gave
B       C#m     G#     A
me your lips a gentle kiss
             Am
The medicine to cure my pain
```

Interlude: **C#m-E-B-A**

Verse 2:

```
C#m                E
Listen to all of this glass shatter
   B                   A
It pierced my ears and made them bleed
C#m                E
Now it sounds so beautiful
             B                A
cause you re beautiful you re beautiful
```

(Repeat Chorus 1)

Chorus 2:

```
A        B       C#m       G#
  I want to give you everything
          A         B
I ll give you my all
  C#m        E      A
Because you gave me, you gave
B       C#m     G#     A
me your lips a gentle kiss
             Am
The medicine to cure my pain
```
