Where To Now
Cider Sky

Capo 1

~Chords with * next to it are strummed once, and chords with @ next to it is strummed downward only~

Intro: **D F#m** x2

```
         D
Tell me, where to now?
           F#m
 Cause the lights are out,
        Bm
And the covers,
        G
And the gloves,
    A6
Are off

           D
There s no win or lose
             F#m
So go ahead, make your move
           Bm             G    A6
Let s just pray that it s good enough
          G*        F#m*            D*       Bm*
There s a war in my heart, getting tired of fighting
         G*           F#m*        D*         Bm*
When you say that you love me it hurts like lightning

G     D  A6
Where to now (Who knows)
G     D  A6
Where to now (Who knows)
G     D  A6
Where to now (Who knows)

D F#m

        D
Someone stop the clock
           F#m
Before the good gets lost
          Bm           G
Before my heart has to start again

       D
Will I go alone
```

```
            F#m
Or will you bring me home
    G              F#m        D      Bm
You see through my eyes like broken windows
   G                F#m     D        Bm
So tell me if we re dying, before I let go (Who knows)

G     D  A6
Where to now (Who knows)
G     D  A6
Where to now (Who knows)
G     D  A6
Where to now (Who knows)
G     D  A6
Where to now (Who knows)

D@
Bitter pleas, bitter pleas
   F#m@
This heart
D@
Bitter pleads, bitter pleas
    F#m@   F#m*
This heart
         G*            F#m*         D*          F#m*  Bm*
When you say that you love me it hurts like lightning

G     D  A6
Where to now (Who knows)
G     D  A6
Where to now (Who knows)
G     D  A6
Where to now (Who knows)
G     D  A6               G*
Where to now (Who knows)
```
