Sinner s Love

VERSE 1
C# **Eb**
When you looked at me with eyes made of fire
C# **Eb**
I never had a chance my heart was gone
C# **Eb**
When you found me there my soul was dying
F# **C#** **Eb**
Love is blind, well I say love is wrong

VERSE 2
You needed someone in the hole that you ve been makin
I needed a place to hide, a place in your heart
With your hand in mine, we left hell, bound for heaven
I promised I d pull down a star

CHORUS
Bb **C#** **G#**
Eb
It never occurred to me that god and devil could agree to stand against a sinner s love
Bb **C#** **G#** **Eb**
I guess I must be blind years are gone and still I try to to find where we went wrong

VERSE 3
Every morning when the sun came shining
I d pick up the telephone and talk to you
Every evening when the stars were gliding
Telling lies and hoping they d come true

VERSE 4
One night I had a dream that everything I wanted
10,000 angels came and laid it at your door
And when I turned around you were somewhere hiding
Thinking you would die for something more

BRIDGE
G#m **Ebm**
Oh mister won t you help me lay right down and die
G#m **Bb7**

Or find someone to tell me where she s gone and why

SOLO

G#m Ebm
G#m Bb7 Eb

VERSE 5

I guess we both agree that someone wasn t changing
You take the road ahead and I ll keep holding on
I guess it s a crazy dream but every night I m thinkin
Thinkin you ll be there when I get home

VERSE 6

I tried to call you but I never got an answer
I tried to write you but I never found the words
And when I got downtown and try to find another
I see your face on every girl
