Umbrellas And Elephants
Cinematic Sunrise

This is acoustic version of the song so..
I m sure this is 99% correct. I ve watch Craig played this on Youtube though.
I m still trying to figured it out the bride part?...
oh well, hope you like it :]

E - x79900
E* - x09900
C#m - x46600
Bm - x24400
A - x02200
E^ - x22100

```
E                            E*
Dressed up from head to toe, to get by.
                E                            E*
It seems once again, I forgot what keeps me safe and dry.
         C#m         Bm                  A
To the weepy windowpanes, that are dripping with dew.
                      C#m       Bm             A
I can hear the rain outside, falling from the sky
and you can hear the...

E^                    A     Bm
Pitter patter on the rooftop.
           E^           A                Bm
You can listen to the rhythm of the raindrops.
   E^                        A      Bm
I wish that the sun would come and stay,
     E^        A        Bm
but this is a song for rainy days.
```

E E* 2x
[the quote part]

```
    C#m                        Bm
let s go dance around in the rain
         A                                                C#m
don t pay any attention to the people staring from inside
        Bm                    A
we ll leave all our cares behind
and you can hear it the...
```

```
E^                      A     Bm
Pitter patter on the rooftop.
           E^           A                 Bm
You can listen to the rhythm of the raindrops.
   E^                        A      Bm
I wish that the sun would come and stay,
     E^        A        Bm
but this is a song for rainy days.
