Standard tuning and Capo 3rd fret

```
E                        F#        G#m
Breathing you in when I want you out
            B                         C#m
Finding our truth in a hope of doubt
         E       F#     G#     C#m  Ebm7
Lying inside our quiet drama-a-a

Wearing your heart like a stolen dream
Opening skies with your broken keys
No one can blind us any longer

We ll run where lights won t chase us
Hide where love can save us
I will never let you go
```
