[SAME CHORDS]

I don t understand about
Diamonds and why men buy them
What s so impressive about a diamond
Except the mining

And it s dangerous work
Trying to get to you too

And I think if I didn t have to
Kill, kill, kill, kill, kill, kill myself doing it
Maybe I wouldn t think so much of you

B C# Eb B C#
I ve been watching all the time
Eb B
And I still can t find the tack
C# Eb
And I wanna know is, is it okay Is it just fine
F#(hold)
Or is it my fault
F(hold)
Is it my lack

Eb/F# Ebm9 Eb/F# Ebm9

[SAME CHORDS AS VERSE 1]

I don t understand about
The weather outside
Or the harmony in a tune
Or why somebody lied

There s solace a bit for submitting
To the fitfully cryptically true
What s happened has happened
What s coming is already on its way
With a role for me to play

I don t understand
I ll never understand
But I ll try to understand
There s nothing else I can do
