A Better Man --Clint Black

[Verse 1]
```
D                          Em
What do you say when it s over?
           G
Don t know if I should say anything at all
                              Em
One day we re rollin  in the clover
G                                D
Next thing you know we take the fall
```

[Verse 2]
```
Still I think about the years since I first met you
And the way it might have been w/out you here
I don t know if words from me can still upset you
         G                  A          D
But I ve got to make this memory stand clear
```

[Chorus]
```
           G    D   Em    A
I know I m leav-in  here a better man
    G    D   Em      A
For know-in  you this way
         G        D  Em          A
Things I couldn t do before now I think I can
        G    D   A             D
And I m leav-in  here a better man
```

[Verse 3]
```
Guess I always knew I couldn t hold you
But I d never be the one to set you free
Just like some old nursery rhyme your mama told you
You still believe in some old meant-to-be s
```

[Chorus]
```
           G    D   Em    A
I know I m leav-in  here a better man
    G    D   Em      A
For know-in  you this way
         G        D  Em          A
Things I couldn t do before now I think I can
        G    D   A             D
And I m leav-in  here a better man
```
