One
Cody Simpson

this is the acoustic version of One by Cody simpson :)
capo 4th fret

```
C            G                Am      F
I m so much more than Cody Simpson
C               G                Am     F
I gotta alot in me, gotta get it out
C                  G               Am      F
What have I gotta do to make you listen
C        G                Am                F
So much more than just a sound (It s much more than just a sound)

C        G
Oh Oh Yeah,
             Am                   F
This is exactly what I ve been dreaming of
C         G
Oh Oh Yeah,
            Am                      F
Can you believe in me, Seeing what I can see

               C         G
All I need is One, One, One
                Am         F
All we need is One, One, One
               C          G
All I need is One, One, One
                Am        F
All we need is One, One, One

           C        G        Am      F
It s my dream, my home, my life, my soul
      C       G        Am         F         C
My dance, my song, my love, lives on (lives on)

       G           Am       F
I m beginning to imagine
C          G                Am    F
What am I really trying to say? (Yeah)
C           G                  Am      F
I want to change the world we live in
C           G               Am     F
and make tomorrow a better day
                    C          G          Am              F
I wanna feel the whole wide world just dancing to one rhythm  (Oh yeah)
                    C          G          Am             F
```

I wanna feel the whole wide world just singing to one song

```
                C         G
All I need is One, One, One
                 Am         F
All we need is One, One, One
                C          G
All I need is One, One, One
                 Am        F
All we need is One, One, One

          C        G        Am      F
It s my dream, my home, my life, my soul
      C       G        Am         F
My dance, my song, my love, lives on

C                    G                   Am
If I could fit the world in my pocket
                 F
Take a hidden dream and unlock
C             G                  Am
We d all be flyin  in one rocket
                    F
It s my dream and no one can stop it

                C         G
All I need is One, One, One
                 Am         F
All we need is One, One, One
                C          G
All I need is One, One, One
                 Am        F
All we need is One, One, One

          C        G        Am      F
It s my dream, my home, my life, my soul
      C       G        Am         F
My dance, my song, my love, lives on
