Places Named After Numbers
Frank Black

From: * (Mark Schnitzius)

PLACES NAMED AFTER NUMBERS

A love song written for a black hole.

The string-arranged intro is skipped here.

--Mark

[Guitar intro:]

```
-------------------------------------------------|
--0-----------------------0----------------------|
----1-----------------------1---------------0----|
------2------0--4>>2--2-------2------0--------4--|
--------2--3--------------------2--3-------------|
----------------------------------------3--2------|

----------------------|
--0-------------------|
----1-----------------|
------2------0--2--4--|
--------2--3----------|
----------------------|
```

D E D E A C D E

G E A G
Beyond below above A gravity that slumbers

E A G
At the center of Places named after numbers

E
A different kind of love

A C#m
She was right

A C#m
She was right there

A C#m D F

She was right there all the time

```
                   Am  E
Collapsing all the way
```

And though it seems from here That she was never there
Light beams disappear Into her blackened hair
I wonder if they reappear

[Middle guitar part: slightly different from the intro]

```
-------------------------------------------------|
--0-----------------------0----------------------|
----1-----------------------1---------------0----|
------2------0--4>>2--2-------2------0--------4--|
--------2--3--------------------2--3-------------|
----------------------------------------3--2------|

-----------------------|
-----------------------|
--1--------------------|
----2---------0--2--4--|
------2--2--3----------|
-----------------------|
```
