I May Never Get To Heaven

```
    C#                    G#7
I walked with you and talked with you
      F#          G#7    C#
And held your loving hand
     F#                  C#    Bbm
We loved awhile and I lived awhile
        Eb7                         G#7
And I thought that fate had it planned
        C#      G#7       C#
Then someone stole my angel
        F#      G#7        C#
And I lost what I loved most
C#7      F#    G#7     C#   Bbm
I may never get to heaven,
        Ebm         G#7    C#
But I once came mighty close

F#       G#7            C#
I may never play a golden harp
      F#      G#7       C#
Or spread celestial wings
C#7   F#      G#7     C#   Bbm
Or walk a golden staircase
           Eb7            G#7
While a distant chorus sings.

      C#      G#7        C#
But once I held your sweet love
C#7            G#7       C#
And felt your tender touch
C#7      F#    G#7     C#  Bbm
I may never get to heaven,
```

```
       Ebm        G#7    C#
But I didn t miss it much.

C#7      F#    G#7     C#  Bbm
I may never get to heaven,
        Ebm         G#7    C#
But I once came mighty close
```
