Verse 1 Chords: (use these chords for all verses)

```
                  D5
I m working on my backwards walk
                G5
walking with no shoes or socks
                            A5
and the time rewinds to the end of may
                           G5
I wish we d never met then met today
```

Verse 2:
I m working on my faults and cracks,
filling in the blanks and gaps
and when I write them out they don t make sense
I need you to pencil in the rest

Verse 3
I m working on drawing a straight line
and i ll draw until i get one right
it s bold and dark girl, can t you see
I done drawn a line between you and me

Verse 4
I m working on erasing you
just don t have the proper tools
I get hammered, forget that you exist
there s no way I m forgetting this

Verse 5:
I m working hard on walking out

shoes keep sticking to the ground
my clothes won t let me close the door
these trousers seem to love your floor

Verse 6: (last verse)

```
                     D5
I been working on my backwards walk
                         G5
there s nowhere else for me to go
                       A5
except back to you just one last time
                 G5
say yes before I change my mind, say yes before Iâ€¦
```

Outro: (repeat 2x)

```
A5
   you re the shit and I m knee-deep in it

you re the shit and I m knee-deep in it
G5
   you re the shit and I m knee-deep in it

you re the shit and I m knee-deep in it, youre...
```
