Am                  Dm              F
    When everybody here is out of sight
                  C
    And I have no one that can be on my side
Am                  Dm              F
    The blood just wants to rush out,
            F
    And I m going crazyâ€¦

Am                  Dm              F
    When I m supposed not to run and hide
                  C
    And almost everything is out of my mind,
Am                  Dm              F
    The fact that now he s gone,
            F
    Is making me crazyâ€¦
-----------------------------------------------------------------

Dm                  C                   G
    Everybody is gone, but I ll carry on,

    When will you realize, that I have no one?
                                  G
    But I will till keep on standing, even if I fall,

    And I  will keep going on and on...

Am                  Dm              F
    Well now that everything is getting fine,

    And I have things that I can put on my mind,

    I m starting to carry on,
