Like A Star
Corinne Bailey Rae

[Verse]
```
             C#m7
Just like a star across my sky,
             Eb7
Just like an angel off the page,
          G#m7
You have appeared to my life,
                C#7
Feel like I ll never be the same,
             C#m7
Just like a song in my heart,
           C#m7b5
Just like oil on my hands,
       G#m7
Honour to love you    Gm7...
```

[Hook]
```
                 Emaj7
Still I wonder why it is,
              Eb7
I don t argue like this,
        Am           2 counts then Gm7...
With anyone but you,
                 Emaj7
We do it all the time,
                 Eb7
Blowing out my mind,
```

[Verse]
```
                    C#m7
You ve got this look I can t describe,
             Eb7
You make me feel like I m alive,
                 G#m7
When everything else is au fait,
          C#7
Without a doubt you re on my side,
           C#m7
Heaven has been away too long,
                            Eb7
Can t find the words to write this song,
G#m7
Oh...Your love,
```

[Hook]
```
                 Emaj7
Still I wonder why it is,
```

```
              Eb7
I don t argue like this,
        Am           2 counts then Gm7...
With anyone but you,
                 Emaj7
We do it all the time,
                 Eb7
Blowing out my mind,

[Verse]
            C#m7
Now I have come to understand,
              Eb7
The way it is,
          G#m7
It s not a secret anymore,
             C#7
 cause we ve been through that before,
     C#m7                                  Eb7
From tonight I know that you re the only one,
             G#m7
I ve been confused and in the dark,
      C#7
Now I understand,

[Hook]
F#m7       Emaj7
I wonder why it is,
              Eb7
I don t argue like this,
        Am           2 counts then Gm7...
With anyone but you,
F#m7       Emaj7
I wonder why it is,
              Eb7
I wont let my guard down,
    Am               2 counts then Gm7...
For anyone but you
F#m7              Emaj7
We do it all the time,
               Eb7
Blowing out my mind,

[Outro]
        C#m7
Just like a star across my sky,
             Eb7
Just like an angel off the page,
          G#m7
You have appeared to my life,
                C#7
Feel like I ll never be the same,
             C#m7
```

Just like a song in my heart,
C#m7b5 C#7
Just like oil on my hands.
