On And On
Gaash Ninari

Tuning: Standard

[intro]
Bbm | **Ebm** | **F#** | **C#**
Bbm | **Ebm** | **F#**

```
Bbm                 Ebm             F#
    When everybody here is out of sight
                 C#
    And I have no one that can be on my side
Bbm                 Ebm             F#
    The blood just wants to rush out,
            F#
    And I m going crazyâ€¦

Bbm                 Ebm             F#
    When I m supposed not to run and hide
                 C#
    And almost everything is out of my mind,
Bbm                 Ebm             F#
    The fact that now he s gone,
            F#
    Is making me crazyâ€¦
-----------------------------------------------------------------

Ebm                 C#                  G#
    Everybody is gone, but I ll carry on,
                      G#
    I will face the truth until it s done.
Ebm                 C#                  G#
    It s my only choice, to stay or to run.
Ebm                 C#                  G#
    When will you realize, that I have no one?
                                G#
    But I will till keep on standing, even if I fall,
Ebm                 C#                  G#
    And I  will keep going on and on...
-------------------------------------------------------------------

Bbm                 Ebm             F#
    Well now that everything is getting fine,
                   C#                       Bbm
    And I have things that I can put on my mind,
Bbm                 Ebm             F#
    I m starting to carry on,
```

```
            F#
    And nothing is hazyâ€¦

Bbm                 C#    G#             Eb
    And all that I want, Is another moment with you,
Bbm                 C#         G#
    And you re forever in my heartâ€¦
Bbm                 C#     G#             Eb             Bbm  C#  G#
    And all that I want, Is to look into your eyes againâ€¦
