I Never Loved You
Corneille

```
---------------------------------------------------------------------------
I NEVER LOVED YOU - Corneille
---------------------------------------------------------------------------
Tabbed by: Kengus

Standard tuning
Capo on first fret!

Gadd9  = 320203   Cmaj7* = 032003
Cmaj7  = x32000     A/C# = x42200
Emadd9 = 022002

VERSE1
Em                              G Gadd9 G  G-Gadd9-G
   I was so desperate for company
Em                                            G Gadd9 G  G-Gadd9-G
   And there you were, faking good friends to me
Am                                     Em
   And so I put on my little act for karma
  Cmaj7                                                      Am7
I could have kept fooling the world, but you don`t fool karma
D
   ThatÂ´s why I have to say

CHORUS
Cmaj7        D        Dsus2  Em      Emadd9 Em
     I never loved you,         and I never told you
         Cmaj7       Cmaj7* D            Bm7         Am7
I guess I should have,         but I was too hurt to care
Cmaj7        D        Dsus2  Em      Emadd9 A/C#
     I never loved you,         and I never told you
         Cmaj7       Cmaj7*             D           Em
I guess I should have,       but I was too hurt to care

VERSE2
Em                                G Gadd9 G  G-Gadd9-G
   I was such a prey for generosity
Em                                   G Gadd9 G  G-Gadd9-G
   And there you were posing as family
Am                                     Em
   And so I kept on my little act for karma
  Cmaj7                                            C
I could have kept fooling you, but you don`t fool karma
D
   ThatÂ´s why I have to say

CHORUS
```

```
Cmaj7        D        Dsus2  Em      Emadd9 Em
     I never loved you,         and I never told you
         Cmaj7       Cmaj7* D            Bm7         Am7
I guess I should have,         but I was too hurt to care
Cmaj7        D        Dsus2  Em      Emadd9 A/C#
     I never loved you,         and I never told you
         Cmaj7       Cmaj7*             D           Em
I guess I should have,       but I was too hurt to care

BRIDGE
Am7                            Bm7
    Now that IÂ´ve confessed to using you (using you)
Cmaj7                       Bm7                  Cmaj7
     Just to go through the day (through the day)
Am7                          Bm7     Bm7*
    Do you think you have it in you?
       Cmaj7                                 Dsus2  D
To confess to yourself that you were using me too? Oh yeah

CHORUS
Cmaj7        D          Dsus2
     I never loved you (I never loved you)
Em     Emadd9  Em
   and I never told you (but I never told you)
         Cmaj7      Cmaj7* D            Bm7         Am7
I guess I should have,        but I was too hurt to care
Cmaj7        D          Dsus2
     I never loved you (I never loved you)
Em      Emadd9 A/C#
   and I never told you (but I never told you)
         Cmaj7      Cmaj7*            D           Em
I guess I should have,      but I was too hurt to care

CHORUS
Cmaj7        D        Dsus2  Em      Emadd9 Em
     I never loved you,         and I never told you
         Cmaj7       Cmaj7* D            Bm7         Am7
I guess I should have,         but I was too hurt to care
Cmaj7        D        Dsus2  Em      Emadd9 A/C#
     I never loved you,         and I never told you
         Cmaj7       Cmaj7*             D           Em   Emadd9  Em
I guess I should have,       but I was too hurt to care

OUTRO (fadeout)
Cmaj7 Cmaj7*  D Dsus2  Em Emadd9 Em  Cmaj7 Cmaj7*  D  Bm7  Am7...
```
